GAME RESERVE

COVID-CONSCIOUS TRAVEL

## ENJOY PEACE OF MIND AT ABELANA GAME RESERVE.

We're determined to ensure that our flagship lodge, Abelana River Lodge, offers a COVID-conscious destination that inspires trust and peace of mind to discerning travellers in search of an immersive African experience.

### In line with official regulations, we've implemented rigid COVID-19 protocols:

#### Guests:

- Guest temperatures are scanned on arrival at the reserve gate
- Each guest completes a contact-tracing and general wellness form.
- Guests are required to wear their masks in the lodge's indoor public areas.
- We encourage outdoor dining as much as possible

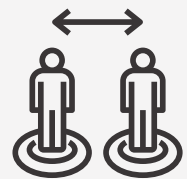

#### Lodge:

- Staff temperatures and wellness are assessed on a daily basis.
- All staff are required to wear a mask at all times, and to sanitise frequently.
- All suites are rested between guest stays.
- Hand sanitising stations are positioned at all entrances to the lodge.
- Hand sanitiser supply is available on each game viewing vehicle.
- We've removed all books and magazines from the suites and public lodge.
- All unnecessary pillows and throws have been removed from suites and public lodge areas.
- Social distancing practices are in place and strictly adhered to.

#### Game Drives:

- Hand sanitiser supply is available on each game viewing vehicle.
- Game vehicle capacities have been reduced to allow for social distancing.

Your safety during travel is our priority.
